

## HEY

*Hey there, wonderful being, I see you  
Not just your outward form, but inside too*

*Hey, I see the amazing soul you are  
Your brightness shining like a star*

*Hey, I see that you and I are one  
Taking the same trip around the sun*

*Hey, I see you, do you see me?  
Do you see the community of we?*

*Hey, I see what we are capable of.  
An amazing oneness united in LOVE.*
