

*Let Love Transform you*

*By Dr Ani Kalayjian*

*Let the flames of Love help you focus  
On all that is essential and true;  
Let Love illuminate you and  
Pave your road with passion...*

*Let Love take you away,  
At the same time centering you  
To choose the good, in-spite of evil...  
Let Love help you concentrate  
Always on the present,  
Letting go of the past,  
As well as the unknown future...*

*Let Love fill your heart,  
Opening your heart and letting it blossom,  
Like a little budding flower!  
Let Love help you mature,  
To a full aromatic rose...*

*Love is the most essential feeling,  
Let it fill your heart, mind, body and soul,  
Love is the most noble deed,  
Let it work endlessly through you...*

*Love is passion and compassion,  
Love is patience and forgiveness,  
Love is inspiration and awareness,  
Love is eternal mindfulness...*

*Let love penetrate the depths of your soul,  
Purifying you within and without,  
Cleansing the negative past,  
Paving your current path,  
Shaping your uncertain future...*

*Let Love be your guide,  
Your loving watch dog,  
Your sight when you're blinded,  
Your voice when you're silenced...*

*Let Love be with you...  
Forever and ever  
To eternity...*
