January 1, 2010  
(Available for use thru May 1, 2010)

Contact: Tam Katzin  
(425) 443-8079

Timed Copy: 30 seconds

Do you believe the energy of LOVE is the key to raising consciousness and is the core of our true essence? **The Love Foundation** does, and with over 135 countries participating in an incredible one day world event called **Global Love Day**, they are inviting people around the planet to join together in celebrating our community and expanding LOVE. Planning is taking place now in Seattle, New York, London, Abuja and other cities across the globe. Find out how **'you'** can make a difference by joining **The Love Foundation** during this one day celebration of humanity on May 1<sup>st</sup> 2010.

Visit the web site "The Love Foundation dot com" for further information.
