Dear Mr. Becker:

As Mayor of the City of Savannah, I would like to extend greetings to you and the members of The Love Foundation (TLF), Inc. in acknowledgement of Global Love Day, May 1, 2010.

I commend TLF for initiating Global Love Day to facilitate the establishment of love and peace on our planet. Since the inception of Global Love Day in 2004, this event has grown tremendously and has brought awareness to the hearts of many people across the nation.

The annual Global Love Day will establish focus throughout Savannah and worldwide towards "unconditionally loving others as we love ourselves." During this one day planetary event, we, as a people, are reminded that we are one-humanity, interconnected and interdependent and that love begins with self-acceptance and forgiveness. This is exactly what your chosen theme for this year, "Love Begins With Me" emphasizes. Love actually leads to tolerance and compassion that embraces our diversity as a species. Global Love Day truly acts as a model for all of us to follow, each and every day, and encourages us to know that together we can make a significant difference through love.

The City of Savannah therefore acknowledges Global Love Day and will urge its citizens to observe this special day, which honors the public cause for Global Love, World Peace, and Universal Joy. Those of us in Savannah wish TLF much success on your 7th annual celebration and activities.

Sincerely,

Otis S. Johnson, Ph.D.
Mayor
