

Gary Richard Herbert  
Governor

Declaration

Whereas, love begins with self-acceptance and forgiveness;

Whereas, we are all interconnected and interdependent on each other;

Whereas, by showing respect and compassion toward all people, we embrace diversity and make a positive difference in our own and other people's lives; and,

Whereas, we appreciate the efforts of The Love Foundation, Inc., who established Global Love Day and in the spirit of Global Love Day, we encourage all Utahns to treat one another with kindness, forgiveness, and to serve one another, especially as we are facing a global pandemic;

Now, Therefore, I, Gary R. Herbert, Governor of the great State of Utah, do hereby declare May 1, 2020, as,

Love Day in Utah

Gary R. Herbert  
Governor
