

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR

Greetings:

It is my pleasure to unite with the Love Foundation to recognize May 1, 2023, as Global Love Day.

Global Love Day is a day of unity and celebration of love and compassion to establish a worldwide focus towards loving each other as we love ourselves. Since its inception, The Love Foundation has made it their mission to assist people by building a practical foundation and understanding of unconditional love and forgiveness within individuals and society. This event recognizes that all life is interconnected and interdependent. Together, we can make a difference and bring awareness through the gift of love. I commend the Love Foundation for positively assisting humanity and bringing unconditional love back into our personal, professional, community, and family lives. I am certain that Global Love Day will continue to serve the Commonwealth with great distinction for many years to come.

As Governor, and on behalf of all Pennsylvanians, I am pleased to support May 1, 2023, as Global Love Day. Please accept my best wishes for continued success.
