

Let Love Transform you

By Dr Ani Kalayjian

*Let the flames of Love help you focus
On all that is essential and true;
Let Love illuminate you and
Pave your road with passion...*

*Let Love take you away,
At the same time centering you
To choose the good, in-spite of evil...
Let Love help you concentrate
Always on the present,
Letting go of the past,
As well as the unknown future...*

*Let Love fill your heart,
Opening your heart and letting it blossom,
Like a little budding flower!
Let Love help you mature,
To a full aromatic rose...*

*Love is the most essential feeling,
Let it fill your heart, mind, body and soul,
Love is the most noble deed,
Let it work endlessly through you...*

*Love is passion and compassion,
Love is patience and forgiveness,
Love is inspiration and awareness,
Love is eternal mindfulness...*

*Let love penetrate the depths of your soul,
Purifying you within and without,
Cleansing the negative past,
Paving your current path,
Shaping your uncertain future...*

*Let Love be your guide,
Your loving watch dog,
Your sight when you're blinded,
Your voice when you're silenced...*

*Let Love be with you...
Forever and ever
To eternity...*
